Orange & Culpeper Area
Community Asset Mapping (CAM)

ANNOTATED RESOURCE LIST
Welcome to our annotated resource list for the Orange/Culpeper region.

Please email any questions or comments to star-autism@virginia.edu

This list has 6 different categories of organizations or agencies that can provide services to those with autism, and those supporting them. The service providers were discussed at a Community Action Meeting in November, 2019. The list has been further broken down into sub-categories for the Table of Contents (next page).

COUNSELING / Other Behavior Therapy

Social Skills Center - Oakton location

Owned by Dr. Christopher Haley, Licensed Clinical Psychologist, fosters teaching social skills through a method developed by Dr. Haley, the "Peer Process Social Skills Group" program. This program primarily uses incidental teaching to teach social skills. Therefore the psychologist or therapist facilitating the group is able to teach social skills in the moment, rather than using more structured curriculums to teach these skills. The Social Skills Center has groups for children, adolescents, and adults.
