What Are Transition Services? Transition services help students as they move from school to the world of work and adult life. The Department of Rehabilitative Services (DRS) works together with students, families, schools and community agencies to provide services to support a successful transition from school to work.

How Can Your DRS Counselor Assist You? Your DRS Counselor can work with you to reach your future employment goal. Your DRS Counselor works together with you, your family, and your teachers as you develop your TRANSITION PLAN. The TRANSITION PLAN identifies what steps you need to take to reach your goals for meaningful employment, responsible adult life and maximum independence after completing school.

Your Employment Goal(s) Will Include Your Abilities, Skills, Needs, Interests And Preferences. Your goals will help you think through these questions:

- What kind of career will I have?
- What do I need to learn?
- How will I reach my goals?

What Services are Free?

- Diagnostics, Evaluation, Assessment
- Disability awareness counseling
- Vocational and career path counseling
- Job seeking and job retention counseling
- Access to Employment Resource Centers - job searching and finding employment leads
- Job Placement

- Deaf and Hard of Hearing Services
- Brain Injury Services
- Long Term Mental Illness Services
- (Vision Services are provided through the Department for Blind and Visually Impaired)

What DRS Programs Are Available At the Woodrow Wilson Rehabilitation Center (WWRC)? The Center provides integrated medical and vocational rehabilitation services addressing the comprehensive needs of clients to improve independence and employability. The campus houses a vocational school and medical rehabilitation units. Both offer state-of-the-art equipment and facilities, a professional, committed staff, and highly effective programs including:

- Counseling
- Vocational and Pre-Vocational Evaluation and Training
- Medical Rehabilitation Services
- Driver Education
- Student Internships
- Deaf and Hard of Hearing Case Management Services and Interpreting Services

What Is PERT? PERT is Post-Secondary Education Rehabilitation Transition. (Some regions in Virginia may not have PERT Services available)

PERT provides high school students a comprehensive evaluation in the areas of vocational skills, independent living skills, and leisure and social skills.

These evaluations may lead to additional vocational programs and services that may assist the student with a smooth transition from secondary to postsecondary education, training and employment.

DRS Services are Voluntary. If You Are Eligible, DRS May Help You Remove Barriers To Employment. You may meet with your DRS counselor when you begin your Transition Plan and at least one year before you plan to leave school. If you have special needs or requests for services, you may call your DRS counselor any time.

Introducing the TACE Centers

Regional Technical Assistance and Continuing Education (TACE) Centers provide technical support and continuing education programs to state vocational rehabilitation (VR) agencies and their partners. The Centers are VR’s resource for current, reliable information on quality management practices, service delivery and vocational rehabilitation skill sets. The Centers have the resources of the entire TA Network to help each agency improve its organizational performance and ultimately improve employment outcomes for consumers with disabilities. For more information on current or planned activities in a federal region, contact the TACE Centers as follows:
