

PEATC families and friends --- If you already love shopping on Amazon.com, you're in luck!

Now you can enjoy the same wide selection of products, low prices, and convenience, plus donate 0.5 percent of your purchase to Parent Educational Advocacy Training Center (PEATC).

The AmazonSmile Foundation will make the contribution to PEATC when you shop via AmazonSmile (smile.amazon.com), a website operated by Amazon.

By shopping through AmazonSmile, you can help to support PEATC's mission:

Through parent training and information we support the development of collaborative partnerships among school community members to improve children's opportunities for excellence in education and success in life.

On your first visit, you will be prompted to select a charitable organization. Search for Parent Educational Advocacy Training Center (PEATC). Then, on each subsequent visit, the site will automatically remember this as your organization of choice and continue to donate the percentage of your eligible purchases.

Please make sure to shop on smile.amazon.com and support PEATC and Virginia families with Special Education needs!
