

The Virginia Department of Education announces the following

PARENT WORKSHOP OPPORTUNITY

Functional Behavioral Assessments (FBA) and Behavior Intervention Plans (BIP)

What Parents/Advocates Need to Understand About This Process

This training we will focus on the Virginia Department of Education (VDOE) *Guidelines for Conducting a Functional Behavioral Assessment and Developing Effective Positive Behavior Intervention Plans*. Participants will discuss the regulatory aspects and best practices as they apply to this federal and state mandated process. Emphasis will be placed on developing, monitoring, and evaluating the effectiveness of a BIP. There will also be time for participants to ask questions.

Presented By

Mr. C.J. Butler, Senior Lecturer, Communication Disorders & Special Education (CDSE)
Old Dominion University

C. J. Butler earned both his bachelor's and master's degree from Old Dominion University. Currently, Mr. Butler is employed by Old Dominion University as a master lecturer in the Department of Special Education. Mr. Butler also does educational consulting through Educational Programs and Interventions for Children. Prior to joining ODU, Mr. Butler worked for over 15 years in both private and public schools as a teacher and administrator in both general and special education. He has extensive experience as a trainer and presenter at the local, state, and national level. His areas of interest include: FBA/BIP, curriculum and instruction; behavior change; and collaboration and consultation.

Monitoring Behavior at Home

What Parents Can Do to Address Behaviors at Home

This training will provide parents with practical tips for strengthening their relationships with their children, as well as encouraging positive behaviors when in school and at home. Participants will also discuss the importance of collecting behavior data on their child for presentation at special education meetings..
