Dads, do you want to unlock your superhero powers? In this session we will help you discover those powers to enable you to establish a better relationship with your child's school and understand your role in the IEP and transition process for your child. Dad's Assemble!

Dad – The Protector

AUGUST 9, 2019

https://zoom.us/webinar/register/WN_kS_hltizSXCX4pHUrZcxYA

During this session we will explore issues that affect the lives of men and fathers and the impact those issues have on student success. Men will gain an understanding of five key protective factors to help them learn about their child's development and assist them in creating a healthy lifestyle for themselves and their children.
