

Supporting Transformative
Autism Research

ANNOTATED RESOURCE LIST

S.T.A.R. INITIATIVE AT UVA

CURRY SCHOOL OF EDUCATION AND HUMAN DEVELOPMENT | STAR-AUTISM@VIRGINIA.EDU

Welcome to our annotated resource list for the Lynchburg region.

Please email any questions or comments to star-autism@virginia.edu

This list has 6 different categories of organizations or agencies that can provide services to those with autism, and those supporting them. The service providers were discussed at a Community Action Meeting. The list has been further broken down into sub-categories for the Table of Contents (next page).

FAMILY SUPPORTS & SERVICES - SERVICE PROVIDERS - COMMUNITY AND STATE**Infant and Toddler Connection of Central Virginia**

birth to 3

The Infant and Toddler Connection of Virginia provides early intervention supports and services to infants and toddlers from birth to age 3 who are not developing as expected or who have a medical condition that can delay normal development. Early intervention supports and services focus on increasing the child's participation in family and community activities that are important to the family. In addition, supports and services help parents and other caregivers find ways to help the child learn through everyday activities. These supports and services are available for all eligible children and their families regardless of the family's ability to pay.

RECREATION & SOCIAL ACTIVITIES - RECREATION OR SPORTS**Amazement Square**

The museum offers hands-on, interactive exhibits designed to make learning fun. We believe that creative play is one of the most important ways children learn and grow! Guests of all ages can paint on the walls, explore life on the farm, create a rainstorm over downtown Lynchburg, float a boat down the James River, and even rock out on stage in a band of your own! As part of its mission to serve children and adults of all backgrounds and abilities, Amazement Square extends its activities beyond the physical constraints of our four walls. Partnering with other local institutions, the museum has created a variety of programs that reach out to the economically disadvantaged, physically and mentally disabled, and culturally underrepresented.

RECREATION & SOCIAL ACTIVITIES - SOCIAL GROUPS FOR or INCLUDE INDIVIDUALS W/ ASD

TREATMENT & THERAPIES - Equine Therapy**Brook Hill Farm**

The participants are taught riding and horsemanship skills in a social environment. The Rockin Rider experience aids in promoting physical, mental, and emotional well-being. As a Premier Accredited Center of the Professional Association of Therapeutic Horsemanship (PATH Intl.), we follow strict guidelines for safety, horse care, business and ethical standards. The Rockin' Riders Program pairs participants with rescue horses to work on developing riding skills and independence.
